

## Declaration of Immunization

Section 57(2) (a) of the *Child Care Licensing Regulation Act (2018)* requires licensed child care programs to have a record of each child's immunization status.

The completion of this form meets the requirement to maintain a record of children's immunization status. It will assist in identifying non-vaccinated children who may require exclusion in the event of an outbreak of a communicable disease.

To be completed by the Parent/Guardian of:

\_\_\_\_\_  
Child's Name

\_\_\_\_\_  
Date of Birth (mm/dd/yy)

### Complete Immunization

- Record of vaccinations attached
- Record of vaccinations unavailable

### Incomplete Immunization

- My child has had some vaccinations - record of vaccinations attached
- My child has had no vaccinations
- I do not know

I understand that children with incomplete vaccinations will not be eligible to attend Buddings Daycare facilities during an outbreak of communicable disease.
